Ref. Nr.

O B L I G A T I O N / C O M M I T T M E N T

I,

Last Name / First Name / Date of Birth / Nationality

pledge to the Office of Migration of the Canton of Luzern that I will assume all costs in its entirety associated with my stay at the

B.H.M.S. Business & Hotel Management School in Lucerne

and that this applies to any Federal, Canton as well as municipale charges leveled upon me in connection with my repatriation to either my home country of origin or to a third party state.

This obligation / committment also includes the assumption of any and all costs associated with accident or medical costs that are not covered by an insurance company such as hospitalization, nursing or accident insurance.

I further attest that I am financially capable to assume such costs, that may, in certain circumstances, lead to a heavy financial burden.

Additionally, I pledge that I will depart Switzerland within the legal time limit set forth and in good graces should no further academic program be intended.

Should you or the school view as you having completed your education, you are obliged to depart Switzerland within the legal time frame and without further recourse.

Seeking gainful employment is not permitted, except within the constraints of the school's internship program as an integrated part of your academic education. Before commencing on your internship, an application to the appropriate departments must be submitted and work commencement may not begin prior to having all the appropriate approvals.
